Professional Summary

2nd-year B.Tech Computer Science student with knowledge of web development, programming, and problem-solving. Skilled in React.js, JavaScript, Node.js, Python, HTML, and CSS with hands-on experience in building responsive web applications and machine learning projects. Interested in learning about UI/UX and looking for opportunities to gain practical exposure and grow.

Education

Bachelor of Technology in Computer Science Engineering Silver Oak University, Ahmedabad CGPA: 9.27	Present
SOPHIA SR. SEC. SCHOOL, Kota (Rajasthan) (12th) Percentage: 64%	May 2024
SOPHIA SR. SEC. SCHOOL, Kota (Rajasthan) (10th) Percentage: 80%	July 2022

Technical Skills

- **Programming Languages:** Python, JavaScript
- **Frontend Development:** HTML, CSS, Bootstrap, React.js
- **Backend Development:** Node.js
- **Tools:** GitHub, VS Code, Canva, Figma

Projects

Hostel Complaint Portal	<i>Personal Project</i>
• Developed a web-based complaint management system for hostel students to register and track complaints. • Implemented user authentication, complaint submission, and complaint status tracking features. • Built using HTML, CSS, JavaScript, Node.js, Express.js, MongoDB, and REST APIs.	
Comic Creator Website	<i>Silver Oak University</i>
• Designed and developed an interactive web application that allows users to create and customize comic-style scenes. • Implemented dynamic UI components, panel-based layouts, and interactive scene customization using JavaScript. • Built using HTML, CSS, and JavaScript with a responsive and user-friendly interface.	
Tkinter Calculator	<i>Silver Oak University</i>
• Developed a desktop calculator application with a graphical user interface using Python's Tkinter library. • Implemented arithmetic operations, real-time result display, and clear/reset functionality. • Strengthened understanding of GUI development, event handling, and Python application design.	
Personal Portfolio Website	<i>Personal Project</i>
• Designed and developed a responsive portfolio website showcasing projects and certifications. • Built using HTML, CSS, JavaScript, and Bootstrap with animations and dynamic components. • Deployed the project using GitHub Pages.	

Experience

Interim Vice Chairperson Creative Committee <i>IEEE, Silver Oak University</i>	Jan 2025 – Jan 2026
• Collaborated with a team to strategically plan and execute innovative content for student activities and events, enhancing participation and engagement. • Played a key role in designing promotional materials for technical and cultural events, increasing awareness and attendance. • Improved visual engagement and presentation quality through effective storytelling and design practices.	

Certifications

- Technology Job Simulation – Deloitte Forage
- Green Skills and Artificial Intelligence – Edunet Foundation
- AWS Infrastructure Camp Certification – AWS Cloud Club Silver Oak University
- Python 101 2.0 – IEEE Silver Oak University
- Python Fundamentals Certification – CISCO Networking Academy
- Advanced Python Certification – CISCO Networking Academy
